Demo Team Applications Due – Monday, August 28, 2017

This full day seminar will provide detailed discussion of all the 2017 enhancements to AKC Rally Obedience, including the new Rally signs for Novice, Intermediate, Advanced, Excellent and Masters Levels.

The morning will focus on a review of performance guidelines and judges' expectations for execution of the new signs, as well as tips for teaching the exercises to your dogs.

The afternoon will provide an opportunity to see new exercises embedded in small courses, and will include six judged demonstration runs to be executed by teams with functional knowledge of the new signs. Scoring results and rationale will be shared with the group with time for a question/answer session after each demonstration.
