Non-Jumping Classes – Veteran or Disabled Handler

Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter the non-jumping classes as a Veteran Handler and receive 10% more standard course time. This option is for Veteran/Disabled handlers in the non-jumping classes only.

The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course.

When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires. In the non-jumping classes, dogs will be scored and placed with their Standard Division jump height.

As of January-2014: Dogs must enter the Veterans Division in all jumping classes after their 9th birthday. After their 12th birthday, dogs must enter the Skilled Category, Veterans Division for jumping classes and Skilled Category for non-jumping classes.

There will be no same day MOVE-UPS: however, if you title on Saturday, you may move up to the next level on the following day. Move-up forms will be available at the secretary table. Completed forms must be turned in before the end of judging on Saturday.

Classes may be added during the day provided you submit the addition to the secretary before the course has been set.

Day of Show entries may be allowed only if the trial has not filled by closing date and at the trial secretary's discretion. If interested, please email the secretary after the closing date.

Check In and Measuring will begin at 8:30 AM both days.

Walk through and briefing will begin at 8:45AM both days.
