Everyone who attends these trials is covered by this Plan as outlined below. Any person who fails to follow this Plan and maintain at least six feet between individuals at all times during this event or on the show grounds during show hours may result in expulsion from this event.

1. WHEN TO STAY HOME –You should NOT attend the trial if you cannot answer YES to the following question on the waiver you will be asked to sign on the day of the trial: “To the best of my knowledge, I am not infected with the virus SARS-CoV-2 or any other virus known to cause health issues. I also state that I am free of symptoms of such infection including: FEVER, COUGH, SHORTNESS OF BREATH, AND/OR PERSISTENT PAIN/PRESSURE IN THE CHEST. I have also not to my knowledge been in direct contact with anyone diagnosed with SARS-CoV-2 / COVID-19 / Coronavirus 2020 in the last 14 days nor have I been at any large event gathering where proper social distancing and masks were not enforced within the last 14 days”. We will run both Level 1 classes with the exhibitor doing first one ring then the other ring if entered. When you enter the 2<sup>nd</sup> ring let us know if you are moving up to a B class. If you are entered both days and earn a title at the end of day 1 let us know so we can move you up to the B class for the 2<sup>nd</sup> day. Only Levels 1, 2, & 3 will be offered for this weekend trials. Ribbons will be self pick up. Placement ribbons will be given at the end of each set of Levels.

### **A and B Classes**

“A” classes are for dogs that have NOT earned the base level title for that level (i.e., RL1, RL2, RL3, RLV).

“B” classes are for dogs that have completed that base level title for that level.

### **Intro Class (not offered this trial)**

Intro class is open to dogs 6 months or older, but dogs who have earned the RL1 or higher are not eligible for placement awards, if offered, in this class. There is no separation of Intro class into A and B classes. An Intro course has 10 exercise signs, including the bonus. Please see the Official Rules & Regulations for more details on Intro class.

### **Veteran Class (not offered this trial)**

Veteran class is open to all dogs over the age of 8; dogs 50 lbs and less than 90 lbs may enter Veteran at age 7 years, and dogs 90 lbs or more may enter at age 6 years. A Veteran course will consist of 12-13 exercise signs from any level, including a Bonus exercise from the Level 3 Bonus Exercises. Please see the Official Rules & Regulations for more details.

### **Bonus Exercise**

A Bonus is an exercise through which additional points may be earned. A bonus exercise is offered on all courses in the regular classes, and it shall be clearly marked with a “Bonus” placard. The bonus exercise shall be in course sequence, at judge’s discretion, and shall be performed in the normal flow of the timed course at handler’s option.

The following rules shall apply for all bonus exercises, whether the bonus exercise has one or two signs: If the bonus exercise is attempted, 10 bonus points are awarded, with point deductions assessed for incorrect performance of the exercise; point deductions on the bonus shall not exceed 10 points. The bonus exercise may be retried one time, for a maximum possible bonus of 6 points. If the bonus exercise results in a change of direction, the handler shall perform an additional basic turn as needed following the bonus in order to continue to the next station. If the team opts to bypass the bonus, the team shall heel by the bonus station to the next station; there is no penalty for bypassing the bonus.

Please see the Official Rules & Regulations for details on the bonus exercise, including the list of exercises from which the bonus is selected for each class.

### **Jump Heights**

Dogs are not required to be measured the day of the trial or prior to judging. However, judges have the option to measure any dog prior to his/her performance if the dog appears to be entered in a group lower than might be indicated by his/her registered shoulder height. Jump heights may also be modified or the jump exercise excused entirely based on physical challenges (e.g. age, disability such as blindness, or use of a mobility device) that a particular dog may face.

The following table shows the recommended and minimum allowable jump heights based upon the dog’s height at the withers. The selected jump height shall be indicated on the Entry Form. The “minimum allowable jump height” for each height category is the minimum height permitted without a Request for Modification being made. A handler may select a higher height at their sole discretion but must have designated the height on the entry form.
